Mr. Bill Griffin
Money's Worth Pool Construction
1039 E. Carefree Highway
Phoenix, AZ 85085

Dear Bill,

Thanks for all your hard work on our beautiful pool. Thanks to all your patience and diligence, our dream is now visible, right off of our deck. Through all of the delays from the county, you helped us through the process. You stuck in there, even, when we thought it would never happen.

Special Thanks to Becky! She worked so hard to make sure that we were informed at all times. She made sure everything was in place and ready to go. It made the whole process smooth and easy. Thanks again for everything.

Sincerely,

The Youngs

Randy, Rochelle, Sam, little Randy and Bo!!
